## TRUTH-IN-SAVINGS DISCLOSURE

### SAVINGS ACCOUNT (SHARE)

#### Rate Information:

The dividend rate and annual percentage yield may change daily. We may change the dividend rate for your account as determined by the credit union board of directors.

**Compounding and crediting** - Dividends will be compounded daily. Dividends will be credited to your account every month.

**Dividend period** - For this account type, the dividend period is monthly, for example, the beginning date of the first dividend period of the calendar year is January 1, and the ending date of such dividend period is January 31. All other dividend periods follow this same pattern of dates. The dividend declaration date is the beginning date of a dividend period, and for the example above is January 1.

If you close your share account before dividends are paid, you will not receive the accrued dividends.

#### Minimum balance requirements:

The minimum balance required to open this account is \$5.00.

You must maintain a minimum daily balance of \$5.00 in your account each day to obtain the disclosed annual percentage yield. (For accounts opened prior to April 17, 2018, you must maintain a minimum daily balance of \$25.00 in your account to obtain the disclosed annual percentage yield.)

**Daily balance computation method** - Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

**Accrual of dividends on noncash deposits** - Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

#### Transaction limitations:

The maximum automated teller machine withdrawal we allow is \$800.00 per day.

The above withdrawal limitation applies to this account in combination with Checking account(s).

#### Par value of a share:

The par value of a share in this account is \$5.00. (\$25.00 for accounts opened prior to April 17, 2018)

**Minimum balance requirements:**

The minimum balance required to open this account is \$1,000.00.

You must maintain a minimum daily balance of \$1,000.00 in your account each day to obtain the disclosed annual percentage yield.

**Daily balance computation method** - Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

**Accrual of dividends on noncash deposits** - Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

**180-DAY SHARE CERTIFICATE / IRA SHARE CERTIFICATE**

**Rate Information** - You will be paid the disclosed rate until first maturity.

**Compounding frequency** - Unless otherwise paid, dividends will be compounded every day.

**Crediting frequency** - Dividends will be credited to your account monthly. Alternatively, you may choose to have dividends paid to another account every month rather than credited to this account.

**Dividend period** - For this account type, the dividend period is the same as the term, beginning on the date the account is opened, and ending on the stated maturity date.

**Minimum balance requirements:**

The minimum balance required to open this account is \$500.00.

You must maintain a minimum daily balance of \$500.00 in your account each day to obtain the disclosed annual percentage yield.

**Daily balance computation method** - Dividends are calculated by the daily balance method which applies a daily periodic rate to the balance in the account each day.

**Accrual of dividends on noncash deposits** - Dividends will begin to accrue on the business day you place noncash items (for example, checks) to your account.

**Transaction limitations:**

After the account is opened, you may not make additions into the account until the maturity date stated on the account.

Partial withdrawals of principle are allowed, as long as the withdrawal does not cause the balance of the certificate to fall below the required minimum threshold for the term or rate given at certificate opening. Withdrawals will be subject to an early withdrawal penalty described below.

You can only withdraw dividends before maturity if you make arrangements with us for periodic payments of dividends in lieu of crediting.

**Time requirements** - Your account will mature in (please refer to the separate rate schedule).

**Early withdrawal penalties** (a penalty may be imposed for withdrawals before maturity) -

The penalty we may impose will be the greater of:

- seven days dividends on the amount withdrawn, or
- all dividends that have been earned not to exceed 90 days based on the amount withdrawn.

In certain circumstances such as the death or incompetence of an owner of this account, the law permits, or in some cases requires, the waiver of the early withdrawal penalty. Other exceptions may also apply, for example, if this is part of an IRA or other tax-deferred savings plan.

**Withdrawal of dividends prior to maturity** - The annual percentage yield is based on an assumption that dividends will remain in the account until maturity. A withdrawal will reduce earnings.

**Automatically renewable account** - This account will automatically renew at maturity. You may prevent renewal if you withdraw the funds in the account at maturity (or within the grace period mentioned below, if any) or we receive written notice from you within the grace period mentioned below, if any. We can prevent renewal if we mail notice to you at least 30 calendar days before maturity. If either you or we prevent renewal, your funds will be placed in a dividend-bearing account.

Each renewal term will be the same as the original term, beginning on the maturity date. The dividend rate will be the same we offer on new term share accounts on the maturity date which have the same term, minimum balance (if any) and other features as the original term share account.

You will have a grace period of ten calendar days after maturity to withdraw the funds without being charged an early withdrawal penalty.
